

Clear Hills Watershed Meeting
Jan. 18, 2007
@Eureka River Hall

Those present were Lindsey Wasylciw, Peter and Joann Frixel, Mike Rudakewich, Alberta Larsback and Sherri Larsen

Object of the meeting was to fill out papers to become a registered Society so we could apply for the ASN grant of \$7500. Time being of the essence.

Discussion led to filling of forms, both of the society and grant. Both were accomplished.

Also discussed having a Public Presentation in the spring. It was agreed upon that we would work toward this.

We will not participate in the trade fair at this time.

We will do presentations in the schools – Peter volunteered for this.

We will begin baseline testing in the spring should we rec. the grant from ASN

We will participate in AWQA day in June.

Discussed possibility of developing a bird sanctuary @ George Lake.

Meeting was adjourned.
